“Paul Parker’s knowledge and expertise allowed me to become aware of my tendencies with public speaking and how to best engage an audience in an authentic, appealing and entertaining way. His skillset can help anyone who wants to improve and become the best they can be in this area and more”.

“Hey thanks so much for this morning that was PERFECT. Exactly what I was after. We just don't do any of that sort of thing and I'm hopeful that can be a foot in the door for you. Both for you, and for the club because I think that if the club invested in its people in this area, they would get a huge return on that investment in the long run”.

**Ben McEvoy**

“ Paul was amazing to work with. Passionate, knowledgeable, and energetic. Provided expert advice and practical tips and skills to assist in any form of public presentation or speaking. Only wish I'd had the chance to work with him many years earlier”.

“Paul did a great job of teaching us some simple techniques to help present to and engage an audience of any size. The session was also a lot of fun as a result of Paul’s energy and passion for his work”.

**Sam Frost**

“Paul’s communication and presentation skills are excellent. He brought great energy and enthusiasm during the 2 hours he spent with the group. I have taken a number of presentation workshops over my time as an AFL Footballer and I can confidently say that Paul’s session provided the most useable information, strategies and insights to improve my presentation skills. Highly recommend”.
