To whom it may concern,

With the help of Paul Parker's course for business presentation, I was able to confidently speak and sell to clients. As a remote broker, my role was phone based only. This obviously limited my options as I couldn't see clients face to face to read body language or use personal interaction to sell.

After Paul's course, I was able to use several techniques through voice, tone and speech to help with phone sales. I highly recommend Paul's course for business people.

Should you have any questions, feel free to contact me on 0417 136 643.

Kind regards,
