To Whom It May Concern

My name is Ann-Maree Browne and I work as the Youth Projects Officer at the Central Grampians LLEN delivering the state government funding Engage and Freeza Programs over the Ararat Rural City Council and Northern Grampian Shire Council.

We engaged the services of Paul Parker in 2018 and 2019 based on getting to know him and of his teaching experience, Paul taught many sessions at the Stawell Neighborhood House in Stawell in 2018 and 2019 and sessions of with the LLEN at our main offices in Ararat in 2019.

Paul worked with the students teaching them presentation skills, life skills and communication and social skills. Paul was punctual, friendly, educational and generally excited to teach the students. At the Central Grampians LLEN we have found Paul extremely professional at all times and is dedicated to providing students with life skills to take along on their employment or study journey in life.

We are all about pathways and Paul certainly has provided that when delivering his workshops, we look forward to working with Paul again in 2020.

Yours Sincerely

*Ann-Maree Browne*
